Career Objective

Motivated EEE undergraduate at AIUB (CGPA 2.88/4.00) with knowledge of power systems, electrical installation, AutoCAD, circuit analysis, testing, troubleshooting, technical documentation and Microsoft Office. Quick learner with strong communication and problem-solving skills seeking a Graduate Electrical Engineer position at SIMEX Bangladesh.

Education

B.Sc. in Electrical & Electronic Engineering (EEE)
American International University-Bangladesh
(AIUB) ; 5th Semester (Running) ; CGPA: 2.88/4.00
SSC (2022) GPA 5.00 - Khulna Zilla School .
HSC (2024) GPA 4.08 - Govt. Joy Bangla College.

Technical Skills

- Electrical Installation
- Power Systems
- Circuit Analysis
- Electrical Troubleshooting
- AutoCAD
- Microsoft Office
- Technical Documentation
- Electrical Drawing Interpretation
- Team Coordination
- Communication & Problem Solving

Curriculum Vitae

Father's Name: Tuhin Kanti Baral

Mother's Name: Tapati Rani

Date of Birth: 05 July 2005

Blood Group: A+ Positive

Height: 5'9"

Present Address: Bashundhara Block G, Road 17, House 115, Dhaka, Bangladesh.

Permanent Address: 9/9 Sonadanga Cross Road, House 123, Khulna.

Work Experience

Performance & Operations Assistant – SIMEX Bangladesh

- Assisted daily operational coordination and documentation.
- Supported team coordination and process improvement.
- Prepared reports and maintained operational records.
- Developed communication, organizational and problem-solving skills.

Projects

- Academic coursework involving power systems, electrical machines and circuit analysis.
- Familiar with AutoCAD-based electrical drawings and technical documentation.

Extracurricular Activities

AIUB Computer Club

- Participated in coding sessions and workshops on modern software technologies.

AIUB Competitive Programming Club

- Solved algorithmic problems and improved C++ programming and logical thinking.

AIUB English Club

- Enhanced public speaking, communication, and presentation skills.

AIUB Robotics Club

- Participated in robotics projects, automation concepts, and embedded system activities.

AIUB ESAB Club

- Engaged in engineering seminars, technical events, and professional development activities.

AIUB Shomoy Club

- Participated in social and volunteer activities, strengthening teamwork and leadership skills.

Certifications

- IEEE Certified Professional in Database System
- IEEE Learning Network Courses (Power Systems, Smart Grid, Renewable Energy) – Recommended
- AutoCAD Certification – Recommended
- MATLAB/Simulink Certification – Recommended
- PLC & Industrial Automation Training – Recommended
